

RICKARD FREDBORG

IMPROVISOR - DANCER -
CHOREOGRAPHER

VISION

To Create is to give form to that which rests in the formless.
It is to interpret and manifest the universe in your own way.
It is the ability to shape and nuance reality.
It ties bonds and inspires further creation.
It reveals what a moment ago never was.
Forever expanding the possibilities of being alive.
To create is to swim with the current of the universe.
